NF Computer : Nurul Fikri Cipta Inovasi

Welcome to the Home of Linux

TENTANG KAMI

Sekilas tentang NF Computer

Dirintis sejak tahun 1994, Nurul Fikri Computer (NF) adalah perusahaan yang terus menerus berkembang dan berinovasi, menyediakan berbagai layanan solusi Teknologi Informasi dan Komunikasi (TIK).

Motto kami, *“One Stop ICT Training & Education”* merupakan potret penyediaan jasa solusi pelatihan dan pendidikan di bidang TIK berbasis Free & Open Source (FOSS) secara total menyeluruh atas kebutuhan klien-klien kami, mulai dari pelatihan, pendidikan. Termasuk jasa lain terkait dengan paket layanan pendidikan dan pelatihan, seperti pengembangan dan dukungan sistem.

Selama bertahun-tahun NF Computer telah dikenal luas dan diakui di dunia industri TI sebagai spesialis di bidang Linux dan solusi-solusi *Open Source Software* (OSS). Kami dikenal sebagai Pelopor training Linux profesional di Indonesia, dan merupakan “rumah bagi keluarga Linux”, dikarenakan komposisi SDM pendiri dan penyelenggara operasional terdiri dari aktivis pergerakan masyarakatan Linux dan wirausahawan berbasis FOSS terkemuka dan termasuk di antara pengguna-pengguna awal, sehingga memiliki pemahaman yang komprehensif dan aktual mengenai pemanfaatan solusi TIK dan FOSS bagi pelanggan.

Visi NF Computer

Visi kami adalah menjadi institusi yang kompeten, profesional, berkualitas dan tepercaya dalam pelatihan dan pendidikan teknologi informasi dan komunikasi di berbagai wilayah di Indonesia.

ABOUT US

NF Computer at a Glance

Operating since in 1994, Nurul Fikri Computer (NF) has been known as a progressive business institution, delivering innovated Information and Communication Technology (ICT) solutions.

Our motto, *One Stop ICT Training & Education* portrays a comprehensive Free & Open Source (FOSS) solutions for the customer. We provide various ICT training & education for private and corporate, including connecting the whole supporting packages of solution by delivering system support & development.

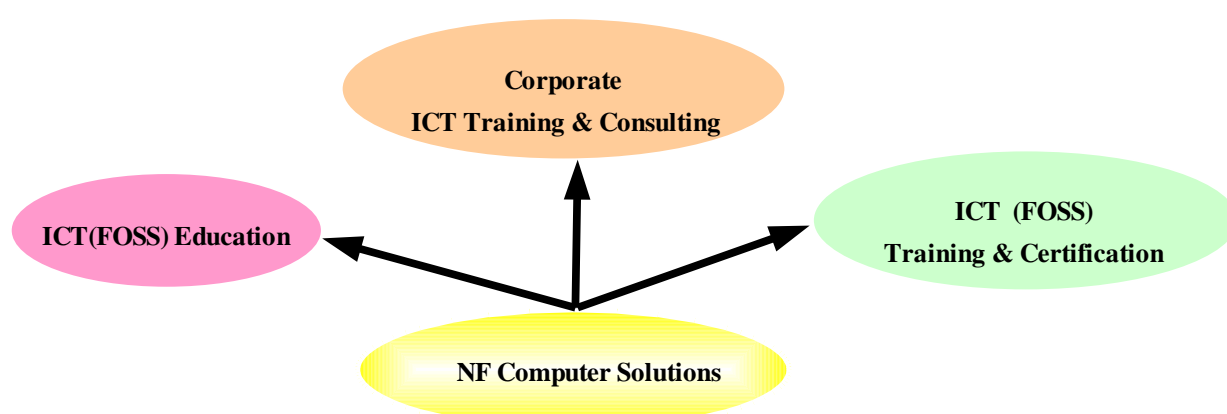

For many years, NF Computer acknowledged widely among IT industries as a Linux and Open Source Software (OSS) specialist. We are highly appreciated by industries as Indonesia's Linux training company pioneer, as “the home of Linux”, because of our Human resources consists of Linux movement & socialisation activist, FOSS entrepreneurs, and among the first Linux and FOSS users in Indonesia. Hence, having a comprehensive and actual understanding about ICT and FOSS Solutions for customers.

NF Computer Vision

Our vision is to become a competent, professional, with high quality and trusted information and communication technology training and education solutions institution, delivering services to our customers all over Indonesia.
